About our Area:

Located just north of West Palm Beach on the east coast of Florida. Beautiful coastal community with great schools, less congestion, crime and craziness of big city living.

Affordable living and better quality of life with all the outdoor activities all year round .

Rehab Culture:

Teamwork, interdisciplinary collaboration, training/mentoring program for new hires, a true sense of community and family within the rehab department, the ability to work at three different sites, with different populations of patients, but all for the same company. Primarily adult and geriatric patients following strokes, elective orthopedic surgeries (hip/knee replacements), spine surgeries, following hip and spine fractures and surgeries, general medical diagnoses including pneumonia, failure to thrive and following general surgeries.
